Hi Rob,

I spoke with Elisabeth O'Brien, who is one of the Supervisors here, and she said that as long as the judge and defense allow it, we could have a chemist (most likely the supervisor of the lab Charles Salemi) review both Nicole and my notes and testify to those. Let me know if this will work for you.

Thanks,

[REDACTED]

We may be able to go forward w/ a chemist there who reviews the raw data you collected and renders his or her own opinion on the drugs. Is there someone there who could pinch hit for you?

Let me know when you have a sec. Thanks.

Rob Kidd
